2. I have been instructed by the Director, Intelligence Community Staff, to bring to your attention the fact that the Senate Select Committee on Intelligence (SSCI), in its classified report on the FY 1988 NFIP Budget, dated 27 May 1987, included the below item for action to be undertaken by Community elements in response to specific Congressional concerns:

presentation to the Chairman, SIG-I, by 15 October 1987. The first report from the IG/CI listed three items as completed and five as "under way." There are other taskings and issues that should be dealt with prior to the submission of the aforementioned second report. A meeting of the IG/CI will be useful in order to keep in motion the "under way" activities and to consider those taskings/requirements not yet assigned for action for designated responsibility within the Community.

4. It is suggested that as Acting Chairman, IG/CI, you set a date for the next IG/CI meeting at the earliest convenient opportunity. CCISCMO will assist as necessary in arranging the meeting and establishing an agenda for the participants.
